

Soviets Break up German Northern Spring Offensive

A German spring offensive intended to smash across the Soviet Karailin front from Finland at three points has been repulsed, battlefront dispatches reported in Moscow today.

A dispatch to Pravda "from the state border" said the Germans withdrew from Russian territory with heavy losses.

This was the second enemy attempt to drive into this sector of Karailin. In the first, near the outbreak of the war, a Finnish battalion of 1,200 men supported by two German companies crossed the frontier in the same general region but were driven back to Finland by a Russian counter-attack.

Pravda said the sector remained relatively quiet throughout the winter. The new thrust, apparently was left entirely to German troops.

The Communist party paper said the Nazis spring their new assault last month.

MURMANSK STILL OPEN TO RECEIVE ALLIED SUPPLIES

MOSCOW, May 8 (AP)—German- Finnish effort to destroy Murmansk, Russia's supply port in the Arctic, has failed and Red army, reinforced by British and American fighter planes, now are carrying the fight to the sea.

The Communist party newspaper Pravda said today.

However, as covered last week, the Germans, with some Finnish aid, have concentrated their attacks on Murmansk, the only Russian ice-free winter port through which supplies from the United States and Great Britain are passing to the Soviet Union for the last six weeks, Pravda said.

Red Star Reported That Generally Along the Karailin Front, Russian Forces Have Repulsed German Attacks

Red Star reported that generally along the Karailin front, Russian forces have repulsed German attacks. The newspaper said that the German offensive against Murmansk, which was reported to have been repulsed, was a diversionary move to draw Russian forces away from the Karailin front.

CLAPPER'S OBSERVATIONS NATIONS AT WAR

WASHINGTON, May 8.—When the India Congress party decided over the week-end to refuse to offer forcible resistance to the Japanese invasion that now seems to be on the way, the full force of what Pandit Nehru said to me at Allahabad came home to me.

At the time it seemed disturbing enough, but I was inclined to discount it a little as bargaining talk on the eve of the

Cripps' negotiations. Nehru's line didn't look good, as I suggested in dispatches at the time. Yet by the time I thought possibly that when the showdown came the congress leaders would rise to the occasion. They have not.

'Sweethearts Parade' at Job's Daughters Spring Ball in Honor of Grace Wegener

Carrying out their chosen theme in unique manner, Job's Daughters and their escorts were truly "Sweethearts on Parade" last night during the semi-annual honored queen's ball at Radio Rodeo, staged by Twin Falls bethel in honor of Miss Grace Wegener, retiring honored queen. Led by Miss Wegener and her escort, Dick Brizee, the grand march began when they "broke through" a large crepe paper heart to the tune of "Sweethearts on Parade" played by Will Wright and his orchestra.

Met by cupid, little "Bish" Beymer, who held a satin pillow high with golden sweetheart rings, they passed beneath a spotlight while Mr. Brizee selected one of the rings, placed it on Miss Wegener's finger and "sealed it with a kiss."

Ritual Repeated

The ritual was repeated by all who took part in the grand march, with the dancers receiving their pastel flower-covered dance programs at the opposite end of the hall from Miss Dorothy Smith, Miss Jackie Beymer and Miss Mary Lois Bolling.

Silvered white cupid figures and pastel letters that proclaimed the dance theme, "Sweethearts on Parade," were on the wall opposite the pastel heart.

Overhead, pastel streamers extended from the balcony's edge to three large blue, yellow and green hearts above the orchestra stand. Baskets of lavender and white lilacs and bits of garden furniture further carried out the decorative theme.

Intermission Program

Intermission highlight was the song, "Sweetheart," sung by Miss Blanche Glick, Miss Mary Lois Bolling and Miss Midge Robertson, the piano accompaniment.

Guests were welcomed by Miss Wegener and Mr. Brizee, Miss Midge Robertson and Bob Jones. Miss Julia McBride and Bill March, and Mr. and Mrs. Howard Weidner, the piano accompaniment.

Punch was served upstairs throughout the evening by Miss Hope Blaser, Miss Mary Lou Smith and Miss Dorothy Allen.

"It's Better in Every Way"

Here's What Another Housewife Has to Say About BUTTER-KRUST Bread—

"Bread is probably a matter of personal taste, and there's probably the reason that we think BUTTER-KRUST Bread is better in every way. It comes closer to being the type of bread I would like to bake if I were doing my own baking. I don't care for the so-called smooth texture, nor do I like bread that's too coarse, and BUTTER-KRUST seems to be just in between. I doubt very much whether its flavor could be improved upon, for the fact that it's always fresh is very important. We're all good boosters for BUTTER-KRUST."

Pioneer League Red Cross Game Okayed

SALT LAKE CITY, May 8 (U.P.)—An all-star Pioneer League baseball game, proceeds from which will go to the Red Cross, was approved last night by President Jack Halliwell.

The date has been set tentatively for early in August after the league's regular all-star game, Aug. 5 or 6.

Expenses of the clubs for the game, including traveling, will be paid by the league or the club themselves and everybody from players to newspaper men, will go to get into the park.

The benefit game will be entirely separate from the regular all-star game with the exception the players will be the same. They will be selected by polls conducted by newspapers in the various Pioneer League cities.

The first game will be played in Idaho Falls and the second—the benefit game—in Salt Lake City.

Bucs, Giants Divide Only 2 Major Tilts

PITTSBURGH, May 8 (U.P.)—The New York Giants and Pittsburgh Pirates had the major league stage entirely to themselves yesterday and divided a doubleheader by way of keeping everything even.

Pirates plodded to a 2-1 victory in 11 innings in the first game and then were set down 6 to 2 in the nightcap which Rookie Buster Maynard enhanced with a three-run homer.

Young Alvin Karpenter for the Giants to a shutout.

Joe Judge, manager of the Pirates, said that his team was "a little bit tired" after a dozen bat and short sprints by Shortstop Pete Costello of Pittsburgh.

In the fifth inning Hank Danning opened with a single and reached first on a double by Maynard.

But in the sixth inning, Karpenter, newly recruited from Jersey City, Nick Kott was intentionally passed to lead the board.

Karpenter left a key fly to Costello in the eighth.

Costello held onto the ball for a moment while he surveyed the scene and then he threw it to the pitcher, who beat the delayed throw.

Pittsburgh tied the score in the sixth when Johnny Barrett doubled and Jim Waddell singled and after threatening repeatedly the Pirates won the 11th when Elmer Fritch singled, was sacrificed to second and came home on a single by Bob Ewing.

Dave Kolo, a freshman lefthander of the Giants, pitched seven-hit ball in the second game.

Pirates scored first and led 2-1 coming up to the seventh inning.

When the Giants rallied, Fritch came against the previously unbroken Ken Heintzelman.

The Sports Round-up

BY WHITNEY MARTIN
Wide World Sports Columnist

NEW YORK, May 8 (U.P.)—The New York Yankees have been killing more fatted calves than the Cubs in Texas in the last three or four years.

The prodigal sons come trooping home.

The latest to head one of these "home" home is the former "Mel" person is William Leroy Lohman, a pitcher of sorts whom the Giants sent to the St. Louis Cardinals last winter along with catcher Ken O'Dea and several big-league players in exchange for large John Mize.

The Giants now have a pitcher, a shortstop and an outfielder whom the club sent away, and later decided there might have been a slight error. With a few players only, he chased the Giants to last night, let the Giants of 1937. Let's see, they finished that year so they wouldn't be so bad, at that.

Hank Leiber and Dick Bartlett went in the puke and the famous "Jals do something starting" deal which sent them, along with Joe Mauer, to the Cubs in exchange for Billy Jurges, Frank Demaree and O'Dea.

Bartlett traveled around a little before returning to the fold in 1941. He got in a couple of years with Detroit, one of them a championship year. Leiber stayed with the Cubs until he looked fairly around the corner last winter and discovered Bill Terry no longer was around the Polo Grounds as manager. He came galloping back, passing Bob Bowman and some Giants money, and after all, it's his own business.

He got Bartlett back for nothing, as Bowman had been declared a free agent. He had to put out cash to get Leiber back, after sending him away. He also had to put out cash for the return of Lohman, and inasmuch as he changed that year so they wouldn't be so bad, at that.

Leiber stayed with the Cubs until he looked fairly around the corner last winter and discovered Bill Terry no longer was around the Polo Grounds as manager. He came galloping back, passing Bob Bowman and some Giants money, and after all, it's his own business.

He got Bartlett back for nothing, as Bowman had been declared a free agent. He had to put out cash to get Leiber back, after sending him away. He also had to put out cash for the return of Lohman, and inasmuch as he changed that year so they wouldn't be so bad, at that.

Hank Leiber and Dick Bartlett went in the puke and the famous "Jals do something starting" deal which sent them, along with Joe Mauer, to the Cubs in exchange for Billy Jurges, Frank Demaree and O'Dea.

Bartlett traveled around a little before returning to the fold in 1941. He got in a couple of years with Detroit, one of them a championship year. MARKETS AND FINANCE

LATE TRADE CUTS PRICE OF GRAINS

CHICAGO, May 8 (AP).—Early fractional gains that carried wheat to highs for the past month and corn to best figures in about two weeks were erased today as the grain market turned reactionary due to increased profit taking.

Reports from the naval battle in the Pacific and indications that the

agricultural interests oppose any attempt to limit farm prices to greater extent than provided by existing law. However, flour demand continued to lag and some traders thought shipping business in corn would be hurt by the results of the embargo on lake movement except with permit after May 15.

Wheat closed $\frac{1}{2}$ ¢ lower, lower than yesterday. May $\$6\frac{1}{2}$; July $\$5\frac{1}{2}$; 1934-35 $\$5\frac{1}{2}$ to $\$5\frac{3}{4}$ lower, $\frac{1}{2}$ ¢ down; May $\$6\frac{1}{2}$; July $\$5\frac{1}{2}$ to $\$5\frac{3}{4}$ lower; soybeans $\frac{1}{2}$ ¢ lower to $\frac{1}{4}$ ¢ higher; rice $\frac{1}{4}$ ¢ lower.

HOUSE COMMITTEE UNSYMPATHETIC ON NEW TAX PROPOSALS

LOWER INCOMES HURT BY PLANS

By JAMES R. SHEPHERD
WASHINGTON, May 8 (U.P.)—The house ways and means committee appeared today to be unsympathetic toward the treasury's proposal to reduce individual income tax exemptions.

Both administration supporters and opponents shared that view. The former argued that the income tax schedule has been moved far enough into the nation's low income groups, the latter contended that the real burden of the treasury's proposal would fall on middle income groups whose taxes in some cases would be five and six times greater than under the treasury's earlier recommendations.

Tables of the new schedules released by the treasury revealed that the reduced exemptions would hit the married man with children the hardest. He would have not only reduced exemption as head of the household but also a smaller exemption for each child.

The treasury recommended that exemptions be reduced from \$4,000 to \$1,000 for married couples, from \$750 to \$400 for single persons, and from \$400 to \$200 for each child or dependent.

He'll pay \$381
A single man earning \$2,500 a year would pay \$105 in income taxes this year. Under the treasury's March proposals he would pay \$132 next year. If yesterday's proposed reductions in exemptions are approved, he would pay \$241.

A married man with two children paid only \$12 in taxes this year. He would pay \$105 under the proposals. He would pay \$175 next year, under yesterday's proposal he would pay \$241.

Committee members disclosed that the administration of all the treasury and White House tax recommendations so far would yield \$600,000,000 in new war revenue.

New Taxpayers
Secretary of the Treasury Henry Morgenthau Jr. is reported to be in the fight to Chairman Robert L. Doughton, D. N. C., that the new exemptions would produce \$1,100,000,000 in additional revenue and 6,000,000 new taxpayers. The new taxpayers would pay only \$100,000,000 of the increase. The additional \$1,000,000,000 would be paid largely by the middle income groups from \$2,000 to \$10,000.

Committee members disclosed that President Roosevelt's recommendation that no individual be permitted to retain more than \$25,000 a year for his own use would be going to treasury experts, yet almost \$800,000,000.

The treasury's original recommendations presented to the committee on March 3 set a \$500,000 goal for the new tax bill.

Committee members generally expressed the opinion that the treasury's new recommendation on exemptions would force an immediate showdown on a war sales tax. Doughton announced that after delivery of Morgenthau's letter, the committee discussed the merits of a sales tax as opposed to the treasury proposal.

States Vote
The committee planned now to vote on the personal income tax exemptions and that vote probably will decide the issue of a sales tax. If the treasury recommendations are adopted, committee members said, there will be no sales tax. If they are rejected, they added, the probability of a sales tax is strong.

The treasury's recommendation called for the third reduction in income tax exemptions since the start of World War II. In 1940 congress cut the exemptions from \$1,000 to \$400 for single persons, from \$2,500 to \$400 for married couples. Last year the exemptions were cut to \$750 and \$1,500.

3-GALLON TOPS FOR GAS RATION

WASHINGTON, May 8 (U.P.)—Price Administrator Leon Henderson said today that motorists on the eastern seaboard, using their cars for non-essential driving could expect no more than three gallons of gasoline a week under a government rationing system.

am going to say it too, with no prospect of getting it above three. Henderson told newsmen just before going before the house interstate commerce committee to testify on the gasoline and tire situation.

He said that this would apply to approximately one-third of the cars — the cars not used for work purposes.

He said he had been over the situation earlier this morning with the petroleum coordinators' office and added: "I don't see how I can avoid giving the basic rationing per unit."

"With a 50 per cent cut in the supply of gasoline it is going to fall between two and three gallons a week, probably nearer two," Henderson continued. "We're still working to see if it can be increased, but I see no prospect of getting it above three."

2 TAKEN FROM PLANE IN LAKE
SALT LAKE CITY, May 8 (U.P.)—Salt Lake county sheriff's deputies landed two army airmen at the county boat harbor last night, bringing to an end the young fliers' long vigil on their wrecked plane in Great Salt Lake.

The two, 2nd Lt. Irving C. Ellis of Los Angeles, and Robert E. P. P. of Kansas City, were uninjured when their training plane crashed into the lake north of Antelope Island.

The two 1111 field aviators remained on the wreckage from Wednesday night, when the crash occurred, until yesterday afternoon, when help arrived by horseback and boat.

Little the worse for their experience, they reported they had wrapped their parachutes about them to keep warm Wednesday night, and were extremely hungry and thirsty, but otherwise unharmed.

They spent much of their time removing instruments from the wrecked ship, they reported.

LONG DELAYS IN DEATH LIST SEEN

WASHINGTON, May 8 (U.P.)—The long Japanese delay in reporting the names of American prisoners taken in the early stages of the war suggested today that months may elapse before those captured or killed in the Philippines will be known.

Undersecretary Robert P. Patterson said "this anxiety is easy to understand" and assured that any information as to casualties or prisoners would be telegraphed immediately to the next of kin.

Of the more than 50,000 American and Filipino troops and naval and marine corps personnel estimated to have been captured, met, killed or suffered wounds, specific reports have been received thus far on only a few hundred.

The war department has been unable to report the names of only 121 of the men killed in the Philippines, and fewer than 300 other army personnel who met death in other war theaters.

Two lists of American prisoners and interned civilians forwarded by the Japanese thus far through the International Red Cross committee at Geneva total but 329.

Radio communications that were strained to the utmost by military necessities, Patterson explained, made it impossible to dispatch inquiries to military headquarters or to headquarters in the Philippines, or whether any individual was safe or otherwise.

Lutherans' Drive Will Aid Program In Armed Forces

Lutherans of Twin Falls will participate in a nationwide appeal in behalf of the Lutheran ministry for men in the armed forces and war orphans and widows on Sunday, May 10, according to Rev. E. W. Keaton, pastor of the American Lutheran church.

More than 7,000 Lutheran congregations in all parts of this country will participate in this drive, called Lutheran World Action, according to Rev. Keaton, publicly director in this section of the state.

The goal of the appeal is \$650,000, the amount required to maintain these Lutheran services for a year, Rev. Keaton said today.

The Lutheran centers are visited by about 25,000 men each month, who come to attend worship services or Bible classes, to play games, to cook their own meals, to read, to attend the dark rooms or any of the many other facilities.

This drive is the special Mother's day feature in Lutheran churches this year, according to Rev. Keaton. Rev. Keaton emphasized that this program does not conflict with that of the USO.

BIGGEST

When men join the colors they join the biggest club in the world—the USO.

By the end of this year there will be 3,000,000 members. And to help maintain the clublike efficiency of the USO, Twin Falls county is asked to raise \$6,000—the proceeds to be used to provide recreational facilities for the men in service.

Headquarters for the drive in this county will be opened in the Radio building prior to the campaign, which begins May 11, under the direction of Mrs. Emma Blodgett.

Official returns will be made within a few days. Complete results to be listed in newspapers after being sent out from Boise, the head A.C.A. office, it was announced today by Robert M. Peterson, secretary.
